Directions to Northern Illinois Brace Club in Roscoe, Illinois

From I-39 South/I-90 East, go to Rockton Road (Exit #3). Go East on Rockton Road to County Line Road (second stop sign). Take County Line Road South to Elevator Road (first stop sign). Go West on Elevator Road .3 miles. NIBC will be on the North side of Elevator Road.

From I-43 go to Highway 140 (Exit #6). Go South on Highway 140. After about 5 miles Highway 140 curves at the State Line and becomes Highway 76. Continue for 4.5 miles to Hunter Road. Take Hunter Road to the West (right) for about 6 miles to NIBC on the North side of Elevator Road (Hunter Road becomes Elevator Road at the County Line .3 miles before NIBC).

OUR SUGGESTED ROUTE FROM THE EAST TO BYPASS CHICAGO is to take I-80 along the south side of Chicago until you are well past Chicago, then head north on I-355. **YOU MUST EXIT I-355 at I-88 West or you will end up back on I-90!** Take I-88 East to I-39, just a bit south of Rockford. When you get to Rockford you can follow our normal directions or trust your GPS.

This new route calculates as a half hour longer than routes through Chicago on the Skyway (I-90) or the I-294/I-290 bypass. With construction or traffic in Chicago- it could save you a couple of hours of travel time and a lot of stress. It is a **VERY NICE ROUTE**.

FYI – Coming from the East, I-80/I-90 are running together near Portage, Indiana. I-80 leaves I-90 and joins I-94 near mile marker 16. You pass into Illinois. I-80 leaves I-94 and joins I-294 near mile marker 161. Finally, I-80 leaves I-294 and runs alone near mile marker 155.

****When traveling on I-80 West there might be a detour that sends you into Chicago on I-90, the Skyway, but just for a few miles. You will turn off on I-65 which goes south for just a couple of miles where they will once again turn you onto I-80.****
